Sample size	1510	197	153	102	101	509	355	93*	738	772	437	527	546	179	259	249	278	250	296	207	264	267	230	263	279	501	474	288	635	478	397	355	494	208

*Regional sample sizes are unweighted. All other sample sizes, including totals, are weighted to census data. Blank cells indicate zero responses were received. Cells containing "0%" are statistically zero, though at least one response was received. *Indicates small sample size*

Q9. First, how much news and commentary would you say you have seen in the media (either online or offline) on the opioid crisis?
