

	Total	Region								Gender		Age			Age_Gender						Household Income			Education		
		BC	Alberta	SK/MB	SK	MB	ON	QC	Atlantic	Male	Female	18-34	35-54	55+	Male 18-34	Male 35-54	Male 55+	Female 18-34	Female 35-54	Female 55+	<\$50K	\$50K-<\$100K	\$100K+	High school or less	Coll/Tech	Univ+
Sample Size	1544	209	169	250	108	142	493	320	103	737	803	437	534	574	208	254	275	227	277	298	484	483	389	639	487	418

Regional sample sizes are unweighted. All other sample sizes, including totals, are weighted to census data. Blank cells indicate zero responses were received. Cells containing "0%" are statistically zero, though at least one response was received.

QD1. How familiar are you, if at all, with this concept of "gene editing" to produce "designer babies"?
