Sample	3049	386	359	202	210	977	616	299	1471	1575	1048	2001	309	430	309	996	757	249	515	955	533	1042	993	960	694	1332	1034	683	

Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing "*" are statistically zero, though at least one response was received. Blank cells indicate zero responses received. * indicates small sample size, and results should be interpreted with caution.

Q5. Do you currently spend time with, help, or provide care for someone who has age-related mobility or cognitive issues?
