Sample	1354	165	129	163	431	369	97	648	704	383	468	503	183	223	242	199	243	262	412	406	376	126	286	406	235	78	532	439	384	414	391	188	91	78	24	169

Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing “*” are statistically zero, though at least one response was received. Blank cells indicate zero responses received. Sample sizes below 100 should be interpreted with caution.

Q1. In recent weeks, there has been news coverage about a new coronavirus that originated in China. How closely would you say you've been following this issue?
