Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing “%” are statistically zero, though at least one response was received. Blank cells indicate zero responses received. Sample sizes below 100 should be interpreted with caution.*

A1. Which of the following best describes your own view? (Even if neither is exactly how you feel, which is closer to your view?). These blockades are:

	Total	Personally affected by Blockade				Most important issue	
		Yes- Total	Yes, personally affected	Yes, Other affected	No	The economy and jobs/ Law and order	Indigenous rights/ The Environment
A LEGITIMATE way to highlight a cause, even if it means disruptions for people and the economy	38%	32%	31%	32%	42%	9%	75%
Way out of line – it’s WRONG to have this kind of disruption of people and the economy	62%	68%	69%	68%	58%	91%	25%

A2. There are two overall points of view about how best to handle these blockades. Which do you think is best?

	Total	Personally affected by Blockade				Most important issue	
		Yes- Total	Yes, personally affected	Yes, Other affected	No	The economy and jobs/ Law and order	Indigenous rights/ The Environment
Be patient and rely on discussion and negotiation, not police action	47%	38%	38%	38%	52%	17%	85%
Use whatever legal force is necessary to end the blockades now	53%	62%	62%	62%	48%	83%	15%

A3. [No weight at all/ a little weight summary] Please indicate how much weight you personally feel should be given to each of the following issues .
