Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing "" are statistically zero, though at least one response was received. Blank cells indicate zero responses received. Sample sizes below 100 should be interpreted with caution.

B1. Overall, thinking about restrictions that have been put in place in your area to prevent the coronavirus from spreading, do you think these restrictions go too far, don't go far enough, or are about right?
