## **SINGLE CHOICE**

As you may know, the border between Canada and the United States is closed to all nonessential travel to stop the spread of COVID-19. So, you can't travel for tourism and recreation, but people who need to cross for essential reasons such as for transporting food and medicines are allowed. The closure has been extended repeatedly and is currently set to expire on November 21.

Thinking beyond November 21, what should the governments of Canada and the U.S. do?

Open the border to non-essential travel between Canada and the U.S. after November 21

Keep it closed until the end of 2020

Keep it closed until spring 2021

Keep it closed until summer 2021

Keep it closed beyond next summer
