

Could the PM/POTUS be ...

Changing topics now ...

Q1. We'd like to ask you some questions about the leader of [Canada/the United States], the [Prime Minister/President]. These questions are not about the specific person in office right now, but rather about the different types of people who might be elected to it in the future.

First, would you yourself consider voting for [a party led by a person who is/a presidential candidate who is] ...

[ROWS – RANDOMIZE]

A woman

An evangelical Christian

Jewish

Muslim

Sikh (Canada only)

A man who wears a religious head-covering

A woman who wears a religious head-covering

Atheist

A Gay man

A Lesbian

Transgender

Indigenous (Canada)/Native American (US)

Not bilingual (Canada only)

Black (Canada)/Hispanic (US)

[COLUMNS]

No, I could NOT vote for such a person

Yes, I could vote for such a person

Q2. And, leaving aside how you would personally feel about each of these types of people being elected [Prime Minister/President], in your opinion, how probable is it that each type of person will be elected to the office in the next 25 years? (Obviously, not all of these types of people could be elected in the next 25 years, but for the purposes of this survey, please consider the likelihood of each one individually.)
