

## Pets on Planes Questionnaire

March 23, 2018

[T] QP1. Changing topics now, we have some questions about air travel.

First, we'd like an idea of how often you travel by air. Thinking over the past 5 years, approximately how many flights have you taken?

No flights in the past 5 years

One or two flights

Three to five

Six to 10

More than 10 flights in the past 5 years

QP2. Most airlines have policies allowing certain pets to travel in the passenger cabin with their owners. Typically, these policies involve charging an extra fee and a requirement that the pet be small enough to fit in a carrier under the seat in front of the passenger. What are your views on this? Would you say ...

[RANDOMIZE]

Pets should be allowed in the passenger cabin

Pets should NOT be allowed in the passenger cabin

[ANCHORED]Not sure/Can't say

[EXCLUDE THOSE WHO SAY NO PETS ALLOWED AT Q2]

QP3a. Thinking about this another way, would you say you support or oppose allowing each of the following to fly in the passenger cabin?

[ROWS – KEEP THIS ORDER]

A small pet in a carrier (such as a cat, dog, rabbit etc.) that fits under the owner's seat

A small pet that sits in the open on its owner's lap
