Sample	1524	195	151	202	449	415	112	731	792	431	527	566	207	253	272	224	274	295	510	472	368	556	477	491	409	498	235	56*	57*	15*	91*	163		

Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing "" are statistically zero, though at least one response was received. Blank cells indicate zero responses received. * indicates small sample size, and results should be interpreted with caution.

Q1. [Frequently/ occasionally] How often do you yourself pay for your purchases with each of the following?
