Sample	1593	185	152	253	463	390	150	750	828	450	551	592	210	260	280	234	286	308	457	493	454	650	493	450	486	466	223	111	81	40	186

Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing “*” are statistically zero, though at least one response was received. Blank cells indicate zero responses received. Sample sizes below 100 should be interpreted with caution.

Q2. [Very concerned/ moderately concerned] How concerned are you about each of the following...?
