Sample Size	1912	288	243	229	120	109	597	425	130	903	994	541	661	711	255	313	334	281	344	370	532	583	566	187	345	583	330	156	731	603	578	592	571	275	135	111	38	191				

Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing “%” are statistically zero, though at least one response was received. Blank cells indicate zero responses received. Sample sizes below 100 should be interpreted with caution.
