

	Total	Would you get the vaccine?				
		Yes, would get ASAP	Yes, would eventually	No, would not get	Not sure	Net: Yes
<b>Sample Size</b>	1603	772	500	221	110	1272

Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing “\*” are statistically zero, though at least one response was received. Blank cells indicate zero responses received. Sample sizes below 100 should be interpreted with caution.

Q9. And now, looking to the future, when the pandemic is passed and there are no more restrictions on activities, what are you most excited to do when that time comes?
