

	Total	Which carries more weight	
		Jobs and economy	Climate change and the environment
Sample Size (Base: All respondents)	1559	793	767

Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing “” are statistically zero, though at least one response was received. Blank cells indicate zero responses received. Sample sizes below 100 should be interpreted with caution.*
