Not at all concerned

Q4.

Base=All

[Single choice grid]

How would you describe each of the following aspects of your life these days?

[ROWS - RANDOMIZE]

Your current financial situation
Your own physical health (how healthy you are, how often you are sick, whether you have medical conditions etc.)
Your social life (time spent with friends)
Your overall energy and resilience
Your sense of optimism

Q5.

Base = all [single choice]

Now thinking about how you feel personally when it comes to your mental health in dealing with the COVID-19 pandemic. How would you say you are feeling over the past few weeks...?

Great – not really bothered at all
Good – some difficulty but nothing major
Not good – having a pretty tough time with things

Terrible – barely getting by at this point

Q6.

Base=All

[single choice grid]

Do you think the following are doing a good or bad job handling the Covid-19 pandemic overall?

[rows – randomize]

Prime Minister Justin Trudeau

Your provincial premier

The chief public health officer in your province

The federal government generally

[columns]

Very good job

Good job

Bad job

Very bad job

Don't know/Can't say

Q15.

Base=All

Single choice

Let's stay on the same topic, but change focus slightly to the restrictions that have been put in place in the community where you live to prevent the coronavirus from spreading.

Do you think these restrictions go too far, don't go far enough, or are about right?

Go too far

Don't go far enough

Are about right
