Sample Size (All respondents)	1601	199	154	121	121	459	398	149	755	832	365	567	668	166	268	320	191	295	347	424	488	496	622	511	467	491	461	209	107	90	29	212

Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing ""%"" are statistically zero, though at least one response was received. Blank cells indicate zero responses received. Sample sizes below 100 should be interpreted with caution.

QT1. Thinking back about the period of January 2018 to January 2020, approximately how often did you leave Canada to travel to the US or to another international destination?
