Base=Loved one in LTC in last year	816	304	75	322	170	83

Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing “%” are statistically zero, though at least one response was received. Blank cells indicate zero responses received. Sample sizes below 100 should be interpreted with caution*

D7. – which of the following areas, if any, would you highlight as top priorities for your own provincial government to address in the area of long-term care?

	Total	Operated By				
		Govt	Community	Private	Private Big	Private small
Increase the minimum number of staff required to be on duty at any given time	38%	36%	39%	41%	44%	38%
More inspections/enforcement of standards	37%	35%	33%	40%	42%	36%
Raise the pay and benefits for Personal Support Workers/Care aides	37%	35%	31%	43%	44%	39%
Recruit more care long-term care workers	37%	36%	32%	42%	45%	38%
Preparation for future epidemics	32%	29%	30%	37%	38%	34%
More/better training of Personal Support Workers/Care aides	31%	31%	26%	34%	34%	32%
Phase out shared rooms in long-term care homes	23%	25%	23%	21%	22%	17%
Build newer, modern residences	20%	22%	19%	21%	20%	20%
Simplify system/Less confusing	19%	20%	18%	19%	17%	21%
Build more residences	19%	20%	25%	16%	17%	12%
All of these are priorities	36%	36%	33%	34%	34%	36%
None of these – enough attention already	3%	2%	2%	2%	2%	1%

D8. Which of the following is closest to your point of view, even if it's not exactly how you feel?

	Total	Operated By				
		Govt	Community	Private	Private Big	Private small
It's time for the federal government to get directly involved in long-term care.	62%	61%	56%	60%	67%	47%
The provinces should be left to manage long-term care independently to their own standards	38%	39%	44%	40%	33%	53%

D9. What about making long-term care for the elderly a fully integrated part of the public health care system like hospitals and other core aspects of health care delivery?

	Total	Operated By				
		Govt	Community	Private	Private Big	Private small
We SHOULD bring long-term care inside the overall public health system.	76%	82%	65%	72%	74%	70%
We SHOULD NOT bring long-term care inside the overall public health system.	24%	18%	35%	28%	26%	30%

D10. Would you be willing to pay an increase in your tax rate of 2% towards funding improvements to the long-term care system in your province? (

	Total	Operated By				
		Govt	Community	Private	Private Big	Private small
Yes, would be willing to pay more tax to further fund long-term care system	62%	63%	57%	62%	70%	52%
No, unwilling, we shouldn't be asked to pay higher taxes to increase funding for these places	38%	37%	43%	38%	30%	48%

D11. What about private for-profit companies owning/operating long-term care homes in Canada. What's closest to your view on this?

	Total	Operated By				
		Govt	Community	Private	Private Big	Private small
Private companies CAN be good long-term care home managers, and we need private sector investment	40%	32%	44%	48%	44%	62%
We should work towards phasing out private companies operating LTC homes	60%	68%	56%	52%	56%	38%

D12. Which of the following is closest to your own view:

	Total	Operated By				
		Govt	Community	Private	Private Big	Private small
We should invest substantially more public money on in-home care to allow more of the very elderly to stay in their own	68%	71%	64%	66%	67%	66%
We could never afford to expand in-home care enough to make any real dent in the need for long-term care facilities	32%	29%	36%	34%	33%	34%

D14. What kind of change, if any, would you say should happen over the next 5 or 10 years or so?

	Total	Operated By				
		Govt	Community	Private	Private Big	Private small
Total overhaul is needed	29%	30%	13%	33%	36%	29%
Significant change	46%	48%	55%	42%	39%	42%
Some changes	19%	17%	21%	19%	20%	23%
A few/address the worst	5%	4%	10%	4%	3%	4%
Leave it alone	1%	1%	1%	1%	1%	2%
Top2box	75%	78%	68%	75%	76%	71%
Bottom2box	6%	5%	11%	6%	4%	6%

D15. What kind of change, if any, do you think will be made to long-term care residences in your province?

	Total	Operated By				
		Govt	Community	Private	Private Big	Private small
Total overhaul	10%	12%	5%	12%	10%	14%
Significant change	21%	23%	26%	19%	19%	24%
Some changes	34%	35%	29%	34%	39%	26%
A few/the worst issues	25%	22%	34%	23%	21%	28%
No changes will be made	10%	8%	6%	11%	11%	8%
Top2box	31%	35%	30%	31%	29%	38%
Bottom2box	36%	31%	40%	34%	32%	36%

D16. Has the COVID-19 pandemic and the impact on long-term care homes made you personally think differently about your own or your loved ones' future if you/they achieve that kind of elderly age?

	Total	Operated By				
		Govt	Community	Private	Private Big	Private small
No has not really made me think differently	20%	17%	23%	20%	18%	27%
Yes, has made me dread the thought of myself or a loved one living in long-term care	45%	42%	36%	47%	49%	35%
Yes, will try to save more money to pay for personal in-home care instead	25%	27%	17%	26%	26%	30%
Yes, would now want to do everything I can to avoid me/them ending up in long-term care	41%	39%	44%	43%	43%	41%
Net: Yes	80%	83%	77%	80%	82%	73%

D17. All things considered, what would you estimate is the likelihood you yourself will end up living in long-term care in the latter part of your life assuming you achieve an elderly age?

	Total	Operated By				
		Govt	Community	Private	Private Big	Private small
Very likely – this will probably happen	19%	20%	17%	18%	15%	20%
Likely	43%	43%	50%	43%	46%	36%
Unlikely	29%	26%	23%	30%	31%	34%
Not at all likely - Not a chance	9%	11%	9%	8%	8%	11%
Net: Likely	62%	63%	68%	62%	61%	55%
Net: Not likely	38%	37%	32%	38%	39%	45%
