

	Total (Quebec)	Gender		Age			Household Income			Education			Language at birth			
		Male	Female	18-34	35-54	55+	<\$50K	\$50K- <\$100K	\$100K+	<=HS	College/ Trade school	Univ+	English	French	English And French	Other
<b>Sample</b>	1080	242	263	134	172	199	166	166	127	165	183	158	225	641	132	82

Regional and linguistic community sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing “\*\*%” are statistically zero, though at least one response was received. Blank cells indicate zero responses received. \* indicates small sample size, and results should be interpreted with caution.

A1. [Top3 mentions] Thinking of the various issues and challenges facing Canada today, which ones do you personally care about the most?

	Total	Gender		Age			Household Income			Education			Language at birth
