

	Total	Visible Minority		Ethnicity			
		Yes	No	Indigenous	South Asian	Asian	Black
Sample size	2550	490	2060	129	114	157	120

Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing “%” are statistically zero, though at least one response was received. Blank cells indicate zero responses received. Sample sizes below 100 should be interpreted with caution.*

QL3. Please tell us whether you found yourself in conflict or an awkward moment with family or friends over:

	Total	Visible Minority		Ethnicity			
		Yes	No	Indigenous	South Asian	Asian	Black
