Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing "" are statistically zero, though at least one response was received. Blank cells indicate zero responses received. Sample sizes below 100 should be interpreted with caution.

QW1. Which of the following currently describes your working status today? Are you...?

Base = All	Total	Region							Geo Type		Gender		Age			Gender-Age					Age (Fine)					Household Income			Household Income (Fine)					Education			2021 Fed Vote
