

	Total	Will get a booster when next eligible	
		Yes	No
Sample size	1583	884	282

Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing “%” are statistically zero, though at least one response was received. Blank cells indicate zero responses received. Sample sizes below 100 should be interpreted with caution.*

QC2. Have you been vaccinated against COVID-19?

	Total	Will get a booster when next eligible	
		Yes	No
