Bring back travel restrictions between communities	14%	22%	6%	18%	3%
Other:	6%	6%	6%	6%	6%
No action needed	38%	12%	67%	21%	87%
Net: Yes to any actions	62%	88%	33%	79%	13%

QC9. [Masking] In your belief, how effective do you think they are?

	Total	Concern over personal COVID-19 infection		Masking Effectiveness	
		Concerned	Not concerned	Effective	Not effective
Effective against infection	35%	44%	26%	48%	
Effective against serious illness/death	10%	14%	6%	14%	
Effective against both	28%	37%	19%	38%	
Not effective at all	26%	5%	50%		100%
Net: Effective	74%	95%	50%	100%	

QC9. [Keeping up with vaccinations – getting boosters when recommended] In your belief, how effective do you think they are?

	Total	Concern over personal COVID-19 infection		Masking Effectiveness	
		Concerned	Not concerned	Effective	Not effective
Effective against infection	14%	19%	8%	18%	3%
Effective against serious illness/death	33%	36%	29%	39%	18%
Effective against both	31%	42%	19%	40%	7%
Not effective at all	22%	3%	43%	4%	72%
Net: Effective	78%	97%	57%	96%	28%

QC9. [Minimizing contact with other people] In your belief, how effective do you think they are?

	Total	Concern over personal COVID-19 infection		Masking Effectiveness	
		Concerned	Not concerned	Effective	Not effective
Effective against infection	33%	37%	28%	38%	17%
Effective against serious illness/death	8%	11%	5%	10%	3%
Effective against both	40%	49%	30%	47%	21%
Not effective at all	19%	3%	38%	6%	58%
Net: Effective	81%	97%	62%	94%	42%

QC12. Do you think your provincial premier is doing a good or bad job handling the COVID-19 pandemic overall?

	Total	Concern over personal COVID-19 infection		Masking Effectiveness	
		Concerned	Not concerned	Effective	Not effective
Very good job	13%	15%	10%	15%	8%
Good job	36%	39%	32%	41%	21%
Bad job	20%	19%	21%	19%	23%
Very bad job	21%	19%	23%	17%	34%
Don't know/Can't say	10%	8%	14%	9%	14%
Top2box	48%	54%	43%	55%	29%
Bottom2box	41%	39%	44%	35%	57%

QC13. [Help me feel better] If provincial governments began to bring some of these practices back, how would each affect you personally?

	Total	Concern over personal COVID-19 infection		Masking Effectiveness	
		Concerned	Not concerned	Effective	Not effective
Brought back public briefings, at least once a week	41%	64%	16%	54%	5%
Closely tracked and published number of known infections more regularly	49%	75%	20%	64%	5%
Increased COVID-19 testing	47%	71%	19%	61%	6%
Increased COVID-19 contact tracing	36%	56%	13%	48%	4%

QC13. [Wouldn't really matter] If provincial governments began to bring some of these practices back, how would each affect you personally?

	Total	Concern over personal COVID-19 infection		Masking Effectiveness	
		Concerned	Not concerned	Effective	Not effective
Brought back public briefings, at least once a week	48%	25%	74%	35%	86%
Closely tracked and published number of known infections more regularly	42%	16%	71%	26%	86%
Increased COVID-19 testing	42%	18%	70%	27%	85%
Increased COVID-19 contact tracing	49%	27%	74%	36%	85%

QC13. [Brought back public briefings, at least once a week] If provincial governments began to bring some of these practices back, how would each affect you personally?

	Total	Concern over personal COVID-19 infection		Masking Effectiveness	
		Concerned	Not concerned	Effective	Not effective
Would help me feel better/make better decisions	41%	64%	16%	54%	5%
Wouldn't really matter to me, wouldn't pay attention	48%	25%	74%	35%	86%
Not sure/Can't say	10%	11%	9%	11%	8%

QC13. [Closely tracked and published number of known infections more regularly] If provincial governments began to bring some of these practices back, how would each affect you personally?

	Total	Concern over personal COVID-19 infection		Masking Effectiveness	
		Concerned	Not concerned	Effective	Not effective
