Q26. Do you believe that children in public schools should be exposed to other sacred texts such as the Qur'an through the curriculum?

Q27. Agreement - The scriptures of all major world religions teach essentially the same things.

[^0]:    Regional sample sizes are unweighted. All other sample sizes, including column totals,
    are weighted to census data. Cells containing "*\%" are statistically zero, though at
    sizes below 100 should be interpreted with caution.

[^1]:    Q12. [The Muslim Qu'ran] To confirm, have you yourself read or engaged at all with each of the following at all in the past 12 months
