Regional sample sizes are unweighted. All other sample sizes, including column totals, are weighted to census data. Cells containing "\*" are statistically zero, though at least one response was received. Blank cells indicate zero responses received. Sample sizes below 100 should be interpreted with caution.

Q1. [Top2box] How would you describe wildfires this summer for each of the following?

Total	Region								Geo Type		Gender		Age			Gender-Age					Age (Fine)					Household Income					Household Income (Fine)					Education					2021 Fed Vote										Ethnicity				Language
