

**Angus Reid Institute
National Report Q2 2025**

Some questions have been withheld for future release. Others have already been released.

QCP1.

Base=All

Single choice

Moving on to another topic. As you may have heard, Canada Post and the Canadian Postal Workers Union have been bargaining over a new contract for workers. This, after the union went on strike last fall.

How closely, if at all, have you been following this issue?

Would you say you have...

Followed it closely in the news and discussed it with friends and family

Seen some media coverage and have had the odd conversation

Just scanned the headlines

This is the first I'm hearing about it

QCP2.

Base=All

Single choice

Personally, how much do you rely on Canada Post to deliver mail? Would you say...

It's very important, I get a lot of mail delivered

It's important, I often get things by mail

It's not that important, I rarely get things by mail

It's not at all important, I never get things by mail

Not sure/ Can't say

QCP3.

Base=All

Single choice grid

Canada Post has faced financial challenges in recent years. Would you support or oppose the following changes in order to reduce the cost of running this service?

Reduce door-to-door delivery

End door-to-door delivery entirely

Allow non-union part-time/temporary "gig" workers to deliver mail

Reduce mail delivery to three days a week

Increase postal rates

Cut employee benefits

Expand services (e.g. banking, parcel lockers) to generate revenue

Privatize some of Canada Post

Privatize all of Canada Post

Strongly support

Support

Oppose

Strongly oppose

Not sure/Can't say

QCP4.

Base=All

Single choice grid

Over the past five years, Canada Post has reported annual losses. On average, it costs about \$20 per person each year in order to maintain universal postal service. Would you say this amount - \$20 a year – is worth it, or not worth it to...

You personally

Others in your community

Worth it

Not worth it

Not sure/Can't say

QCP5.

Base=All

Single choice

Thinking about the long-term future, how important is it to you that Canada Post remains a publicly owned service?

Very important

Important

Not very important

Not at all important

Not sure/Can't say
