Now a few questions about what kinds of different activities people might be into.
How often, if at all, do you personally do each of the following?

[Randomize]

Volunteer for a community group or cause*

Donate money to a charitable cause*

Help out someone in need (e.g. elderly, disabled, broke)*

Use your local community [center/centre] or library

Socialize with your neighbours (beyond a quick “hello”)

Contact an elected representative or news outlet about an issue you care about

Participate in a neighbourhood or community project (a clean-up or community gardening)

Attend a live event (e.g. sports, music, [theater/theatre])

Make a point of having get-togethers with friends and family

Participate in a “hobby” group (e.g. book club, sports league)

Engage in political debate on social media

Attend religious services in your community**
